The Juniorate is the period of temporary profession, when the new Sister yet in a fuller way renews her dedication to Jesus through the vows professed. This is the preparation for final profession

Each good person is like a burning candle shining for others...

"Since 1850 the presence of the Congregation of the Little Servant Sisters of the Immaculate Conception in the Church is one of generous dedication and self-sacrificing love."
(Pope John Paul II)

In honor of Mary, the Servant of the Lord, we dedicate our lives to Jesus, through the profession of vows of chastity, poverty and obedience.

As Little Servants located on all the continents with our Motherhouse in Stara Wies, Poland, we daily strive to realize the evangelical commandment of love of God above all and love of neighbor in imitation of Jesus Christ.

In faithful fulfillment of the spirit of Blessed Edmund Bojanowski, our Founder, in simplicity and love we give proof to this by:

- a Christian upbringing in preschools, schools, children's homes; youth activities
- religious education and parish work
- caring for the poor, the sick, and the elderly
- serving in hospitals, residential, assisted living and nursing homes
- other apostolic works
- works of mercy on various continents and missions; from 1926 in the USA.

Blessed Edmund Bojanowski

November 14, 1814 - August 7, 1871

Lay Founder of a Congregation of Women Religious
Sincere, good person
Witness of great faith and deep prayer
Guardian of the weak and the unloved
Patriot, social worker and apostle of people
Model of uniting people around the good

Today the Little Servant Sisters realize his works serving children, the sick, and the poor

We live in sisterly communities bonded by the love of Christ in keeping with our Founder's counsels.

"Work with your soul, loving God above all, work with your heart practicing neighborly love, work with you thought holding steadfast to the cross of Christ, work with your hand, serving the poor and sick, as if you served Christ Himself."

(Bl.Edmund)
